we've been trying to find a stand user to... save him.

The one over there...

is indeed my FATHER!

He is very healthy... and even eats a lot...

sick?

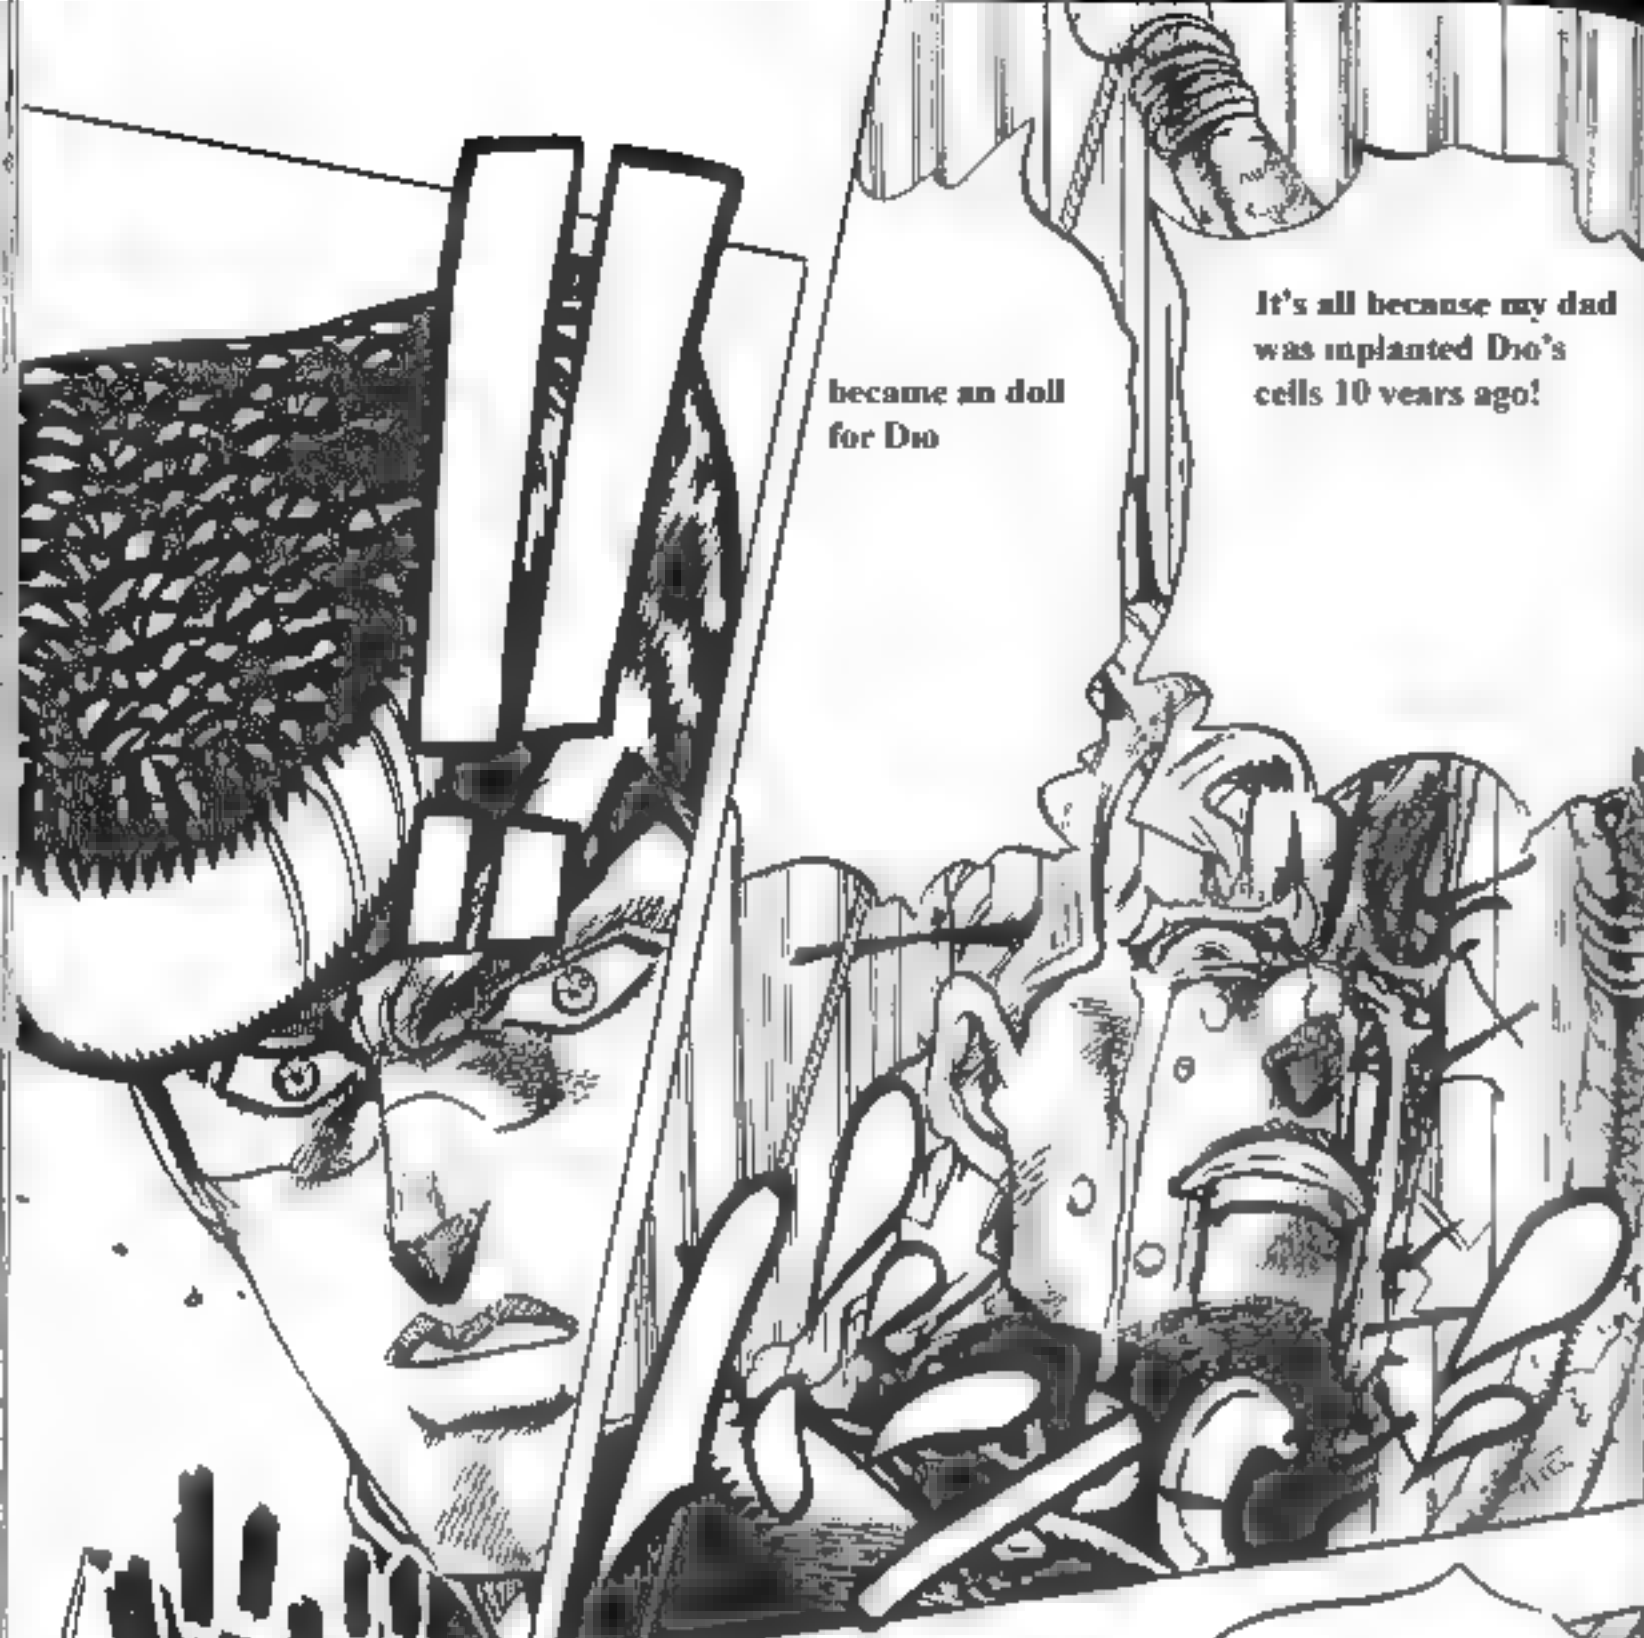

not at all...

is sick...

Your father

只不過他一聲發出呻吟而且根本認得我這個兒子。

that arrow and bow...

became an doll
for Dio

It's all because my dad
was implanted Dio's
cells 10 years ago!

I swore when I
was a child
no matter what...

I will kill him
somehow,
so I have to have
this bow and
arrow.

For my father to die
like a normal human
being....

cure?
heh heh....

Can you?

To try to
cure his
sickness?

So, You are
looking for
Stand user...

My dad can never die
"I tried to blow his head
off and his body to
pieces, he always
regenerates.

I am looking for the
one stand user that
can kill him...

not at all....

虹村兄弟

之其⑨

We were living in Tokyo,
The world was experience
economic down time, our
mother died from sickness
2 years earlier, the company
our father worked at loaned
a lot of money from the
bank because they are
facing bankrupt...
our family was poor and
in very bad condition

I was only 8
Okuyasu was
only 5

sometimes
even gems
and bullions

of course, our
family is no
longer in
destitute.

but from a
moment on, he's
been getting mail
containing lots
of cash.

Father can be
called the
unluckiest loser

We usually
get beaten
for nothing

10 years ago
the year 1989

that Dio
Jotaro
mentioned?

Dio?

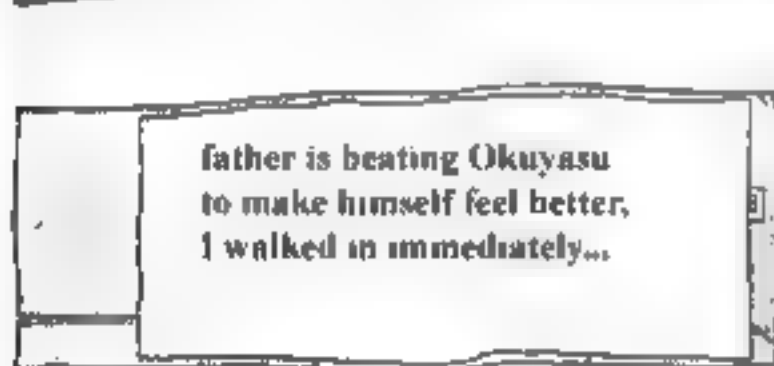

Saw
Okuyasu
crying

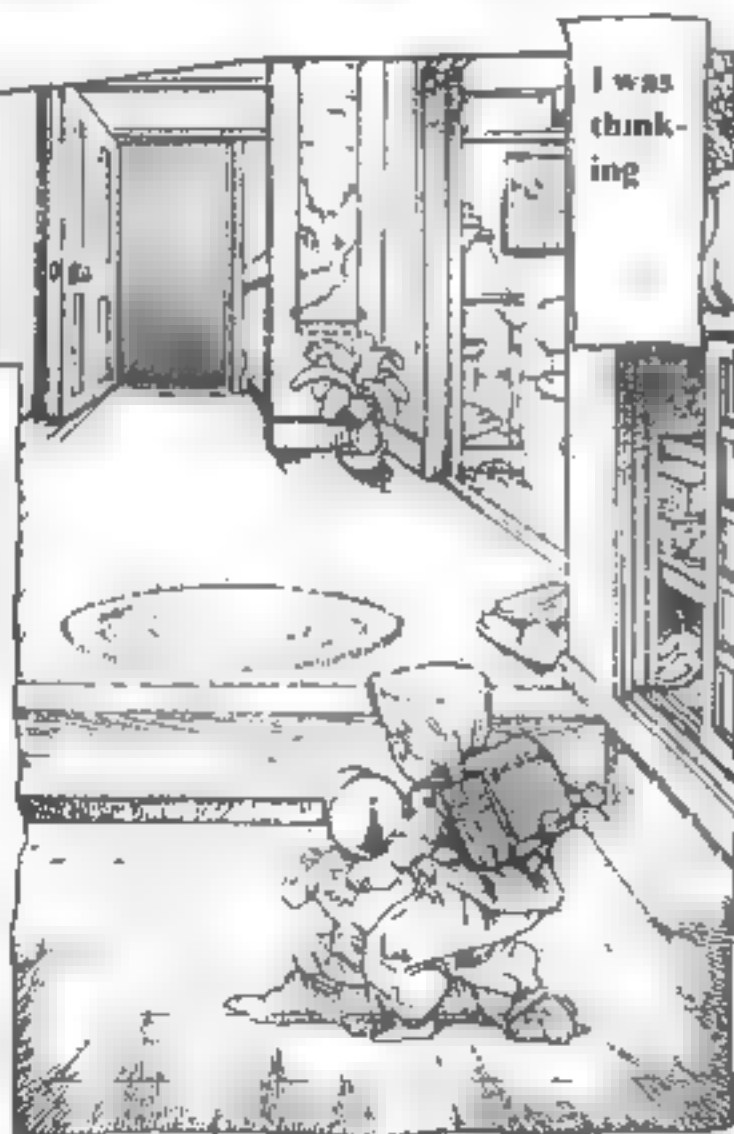

I just came
home from
school

father is beating Okuyasu
to make himself feel better,
I walked in immediately...

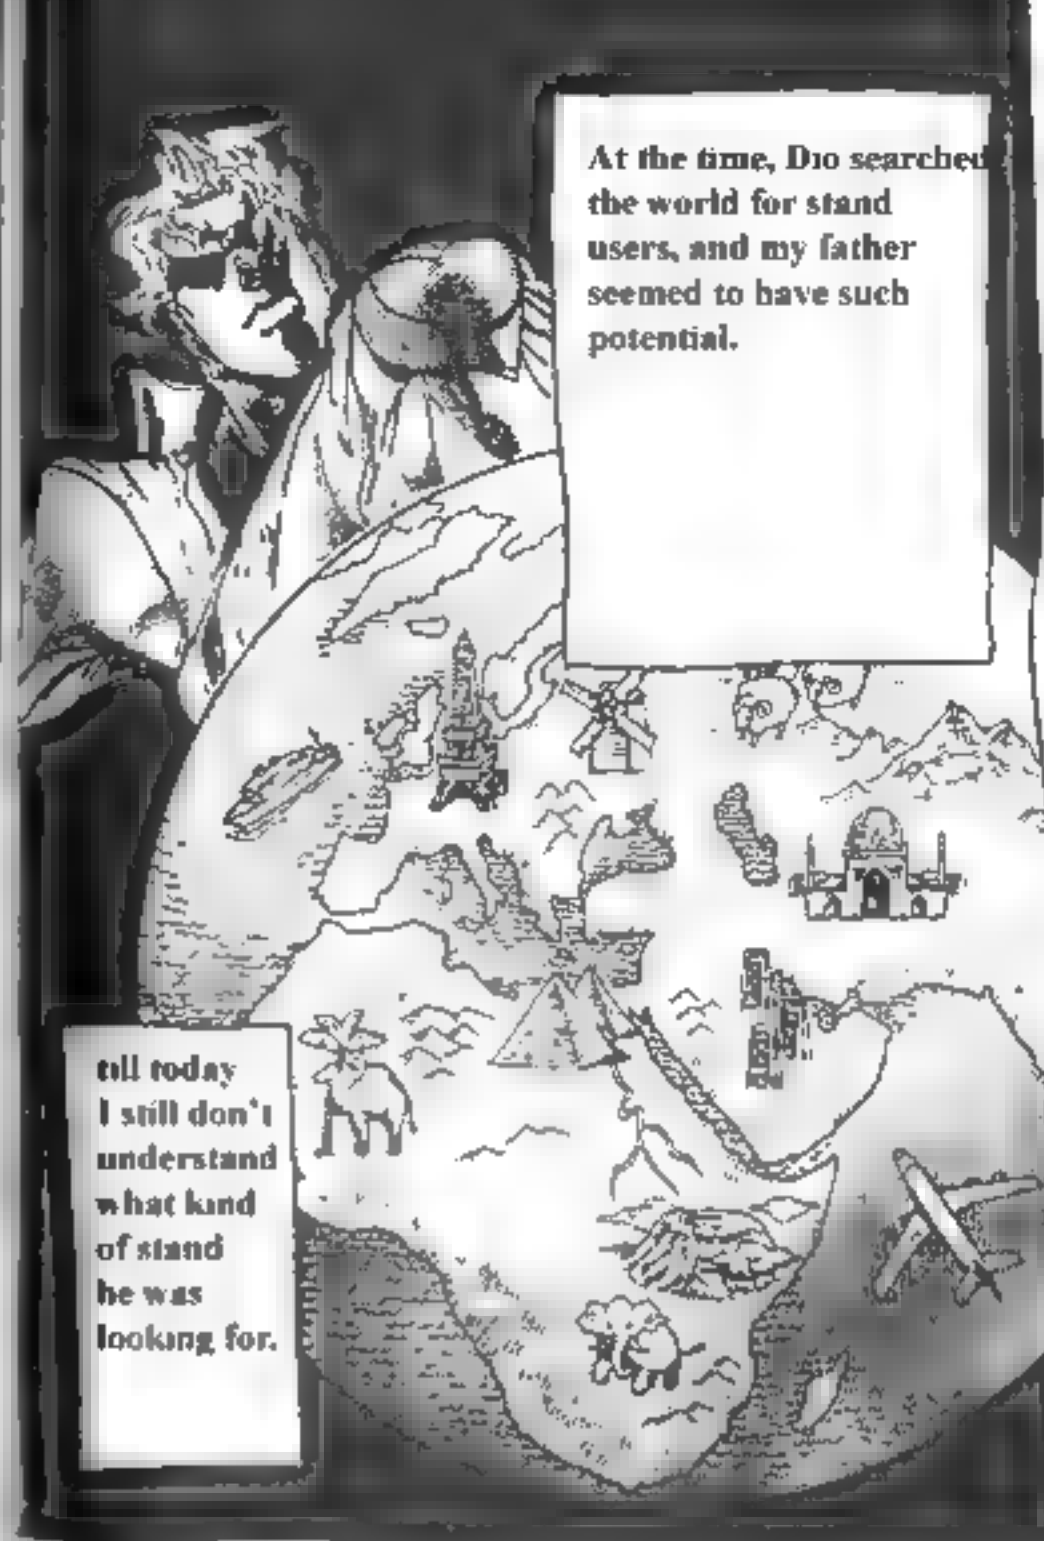

I was
think-
ing

It wasn't like
that at all.....

At the time, Dio searched
the world for stand
users, and my father
seemed to have such
potential.

till today
I still don't
understand
what kind
of stand
he was
looking for.

Father sold
his heart
to Dio

not till
later,
I found out

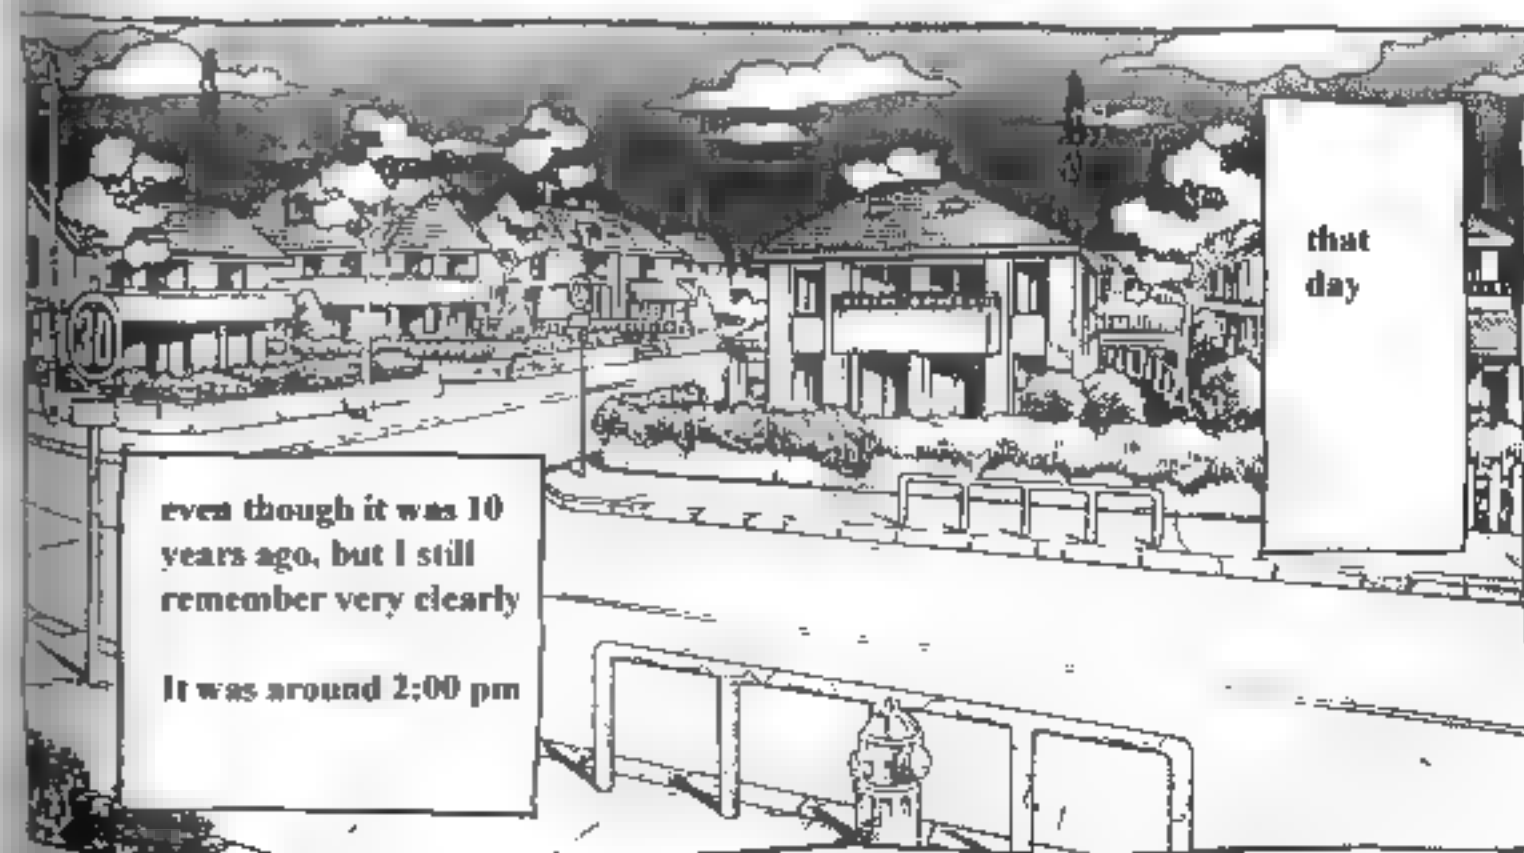

for money
even sold
out his
own soul...

that
day

even though it was 10
years ago, but I still
remember very clearly

It was around 2:00 pm

I took me 10 years to find out about Stands, Jotaro, Dio, the old lady with bow and arrow, and finally I got this bow and arrow.

Dio, when he doesn't truse someone, he will inplant his cell into that person's head, my father got inplanted...

after the 1st year he can't recognize us at all, he because a pile of stinking meat!

because the undead cells from Dio had already grown into his own body cells.

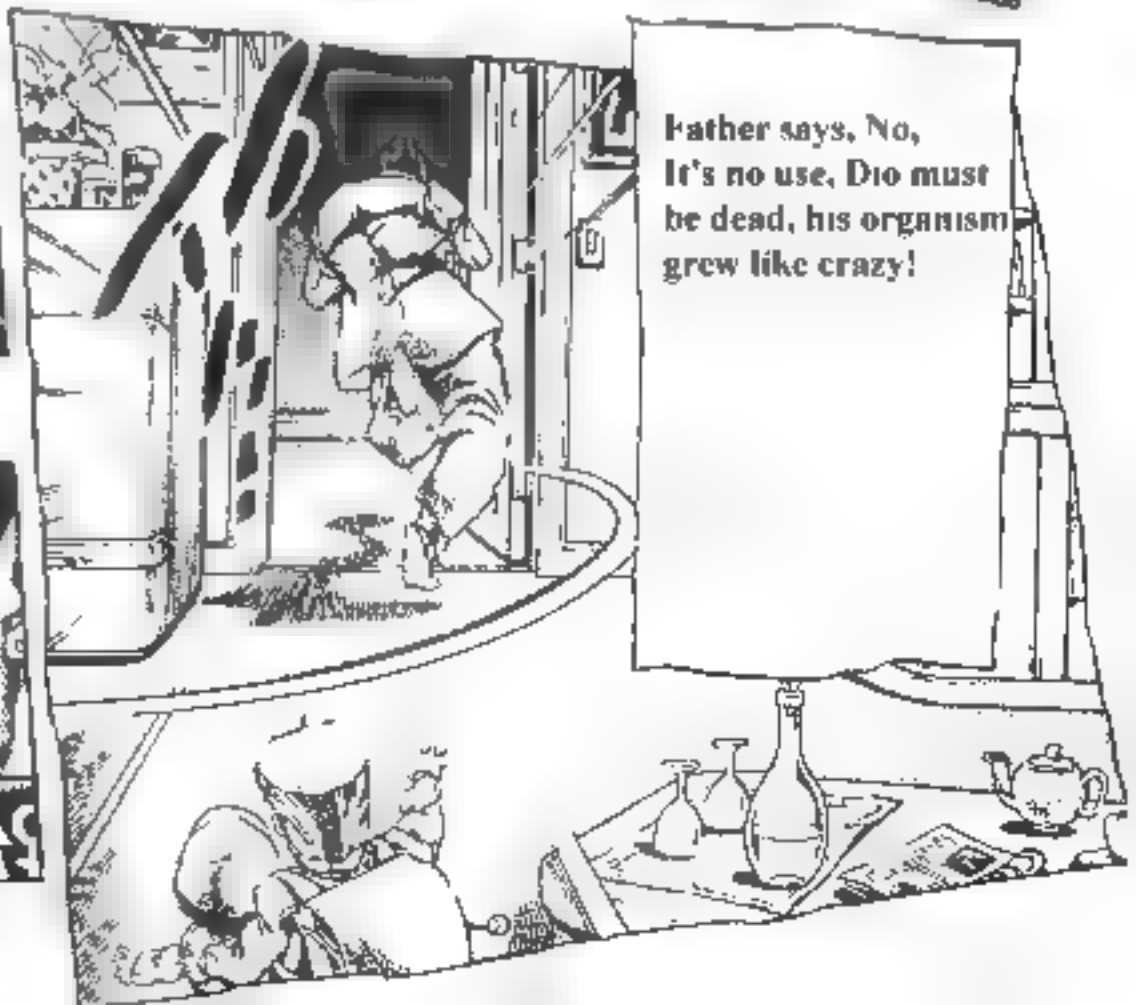

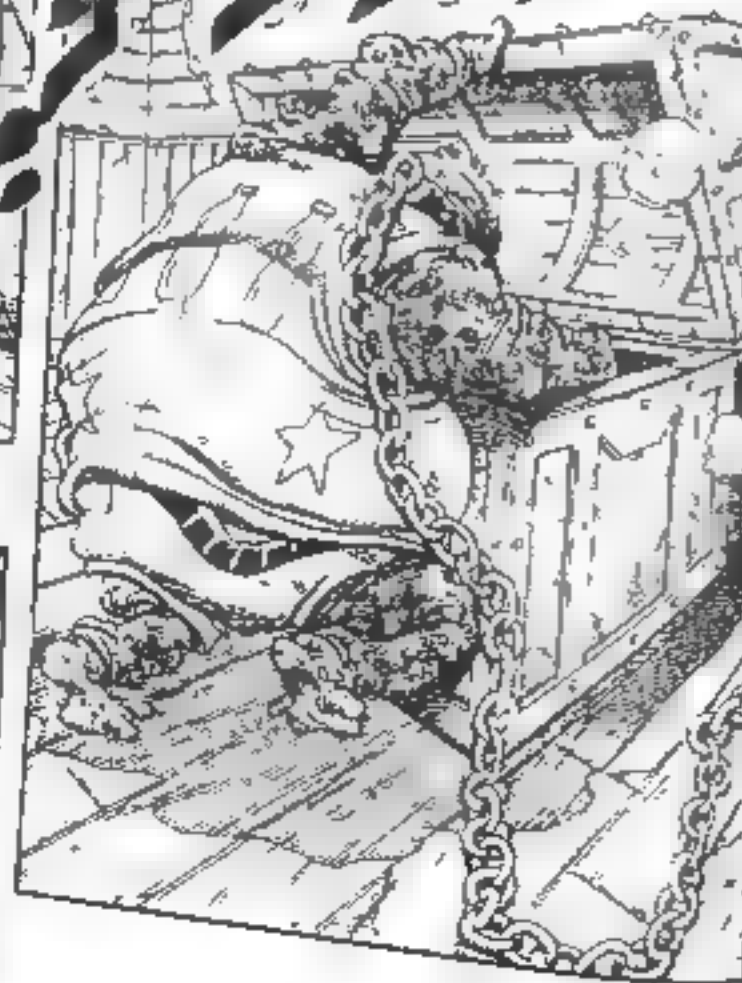

When I found out about the truth I know my father can't recover

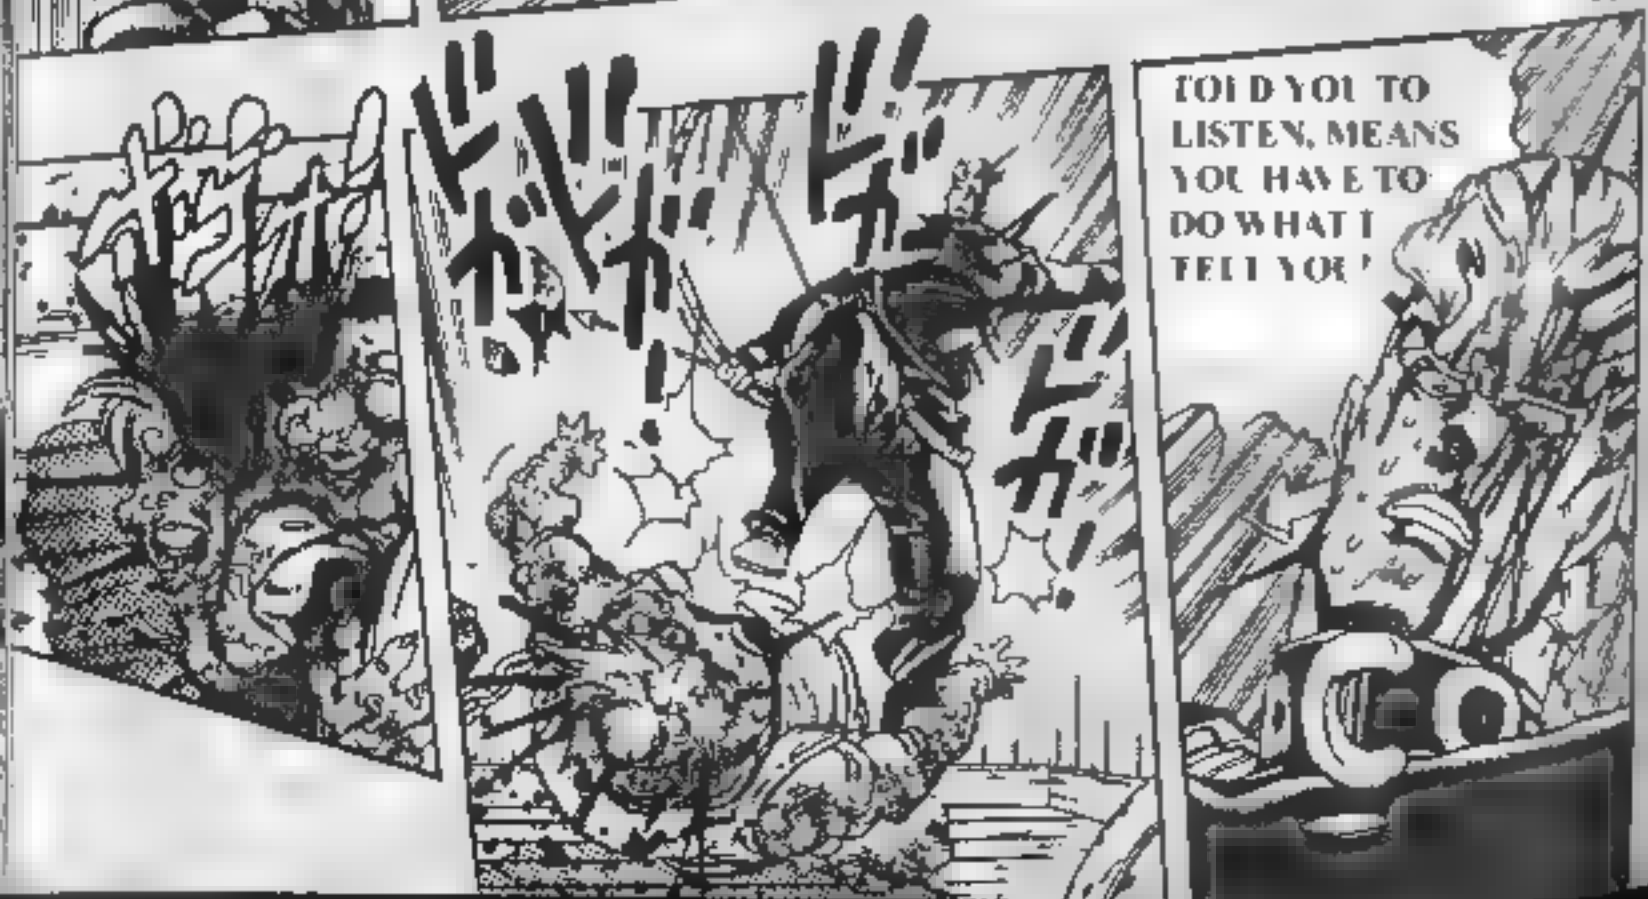

his face and head distorted, like fried in boiling oil.

I saw dad cramed into a ball at a corner of the kitchen

I said, call the ambulance!

Father says, No, It's no use, Dio must be dead, his organism grew like crazy!

Because his is my father,
I feel more worse for him
I just want to give him a
normal, peaceful death!

I hate
him!!

DON'T MESS
WITH THE
BOX
ANYMORE!!

He's
your
dad!

Stop it.

he sold his soul to
Dio. He did it to
himself!!

right, he is my
father, blood
relationship

But this
thing is not
my father
any more!

only after I killed
him, MY LIFE
STARTS FROM
BEGINNING!

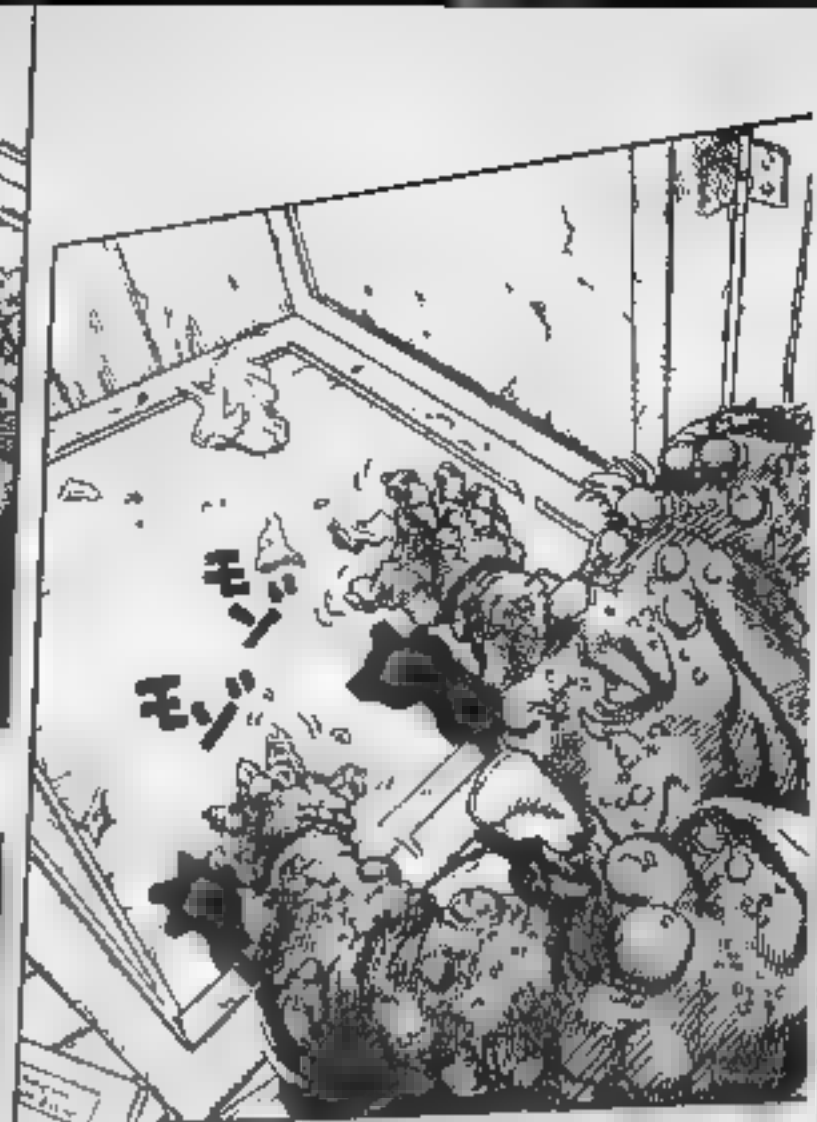

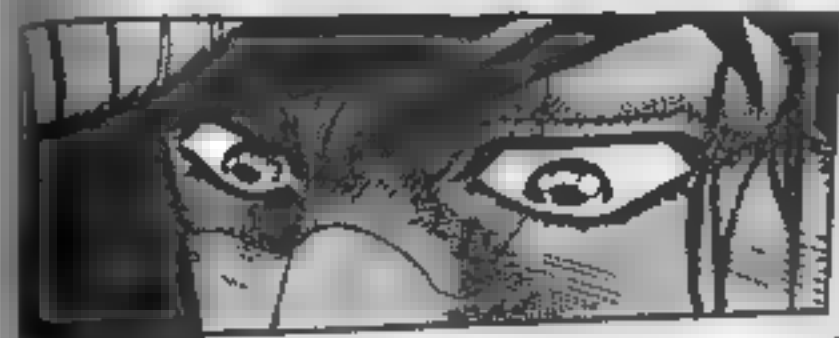

WAIT!

NEVER
WILL!!

I TELL YOU
I WON'T GIVE
YOU THE BOW
AND ARROW!!

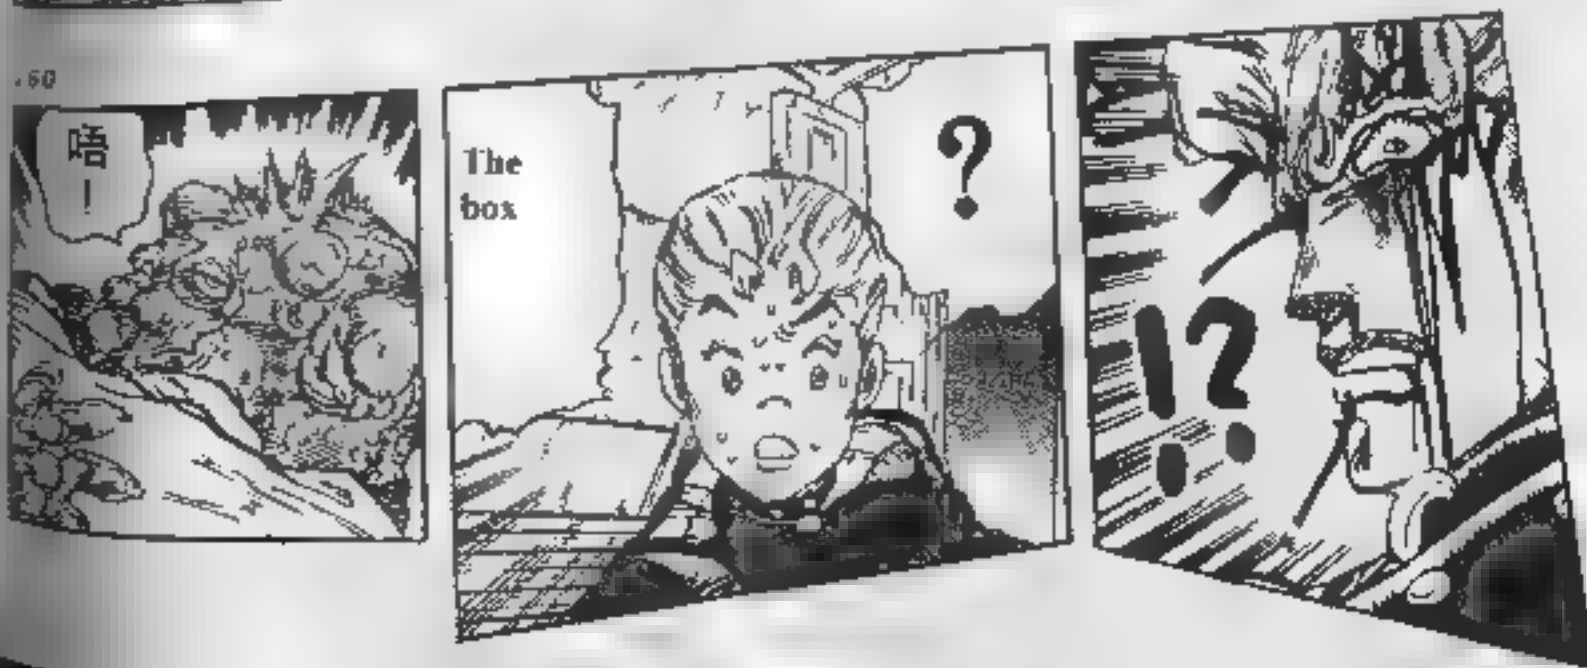

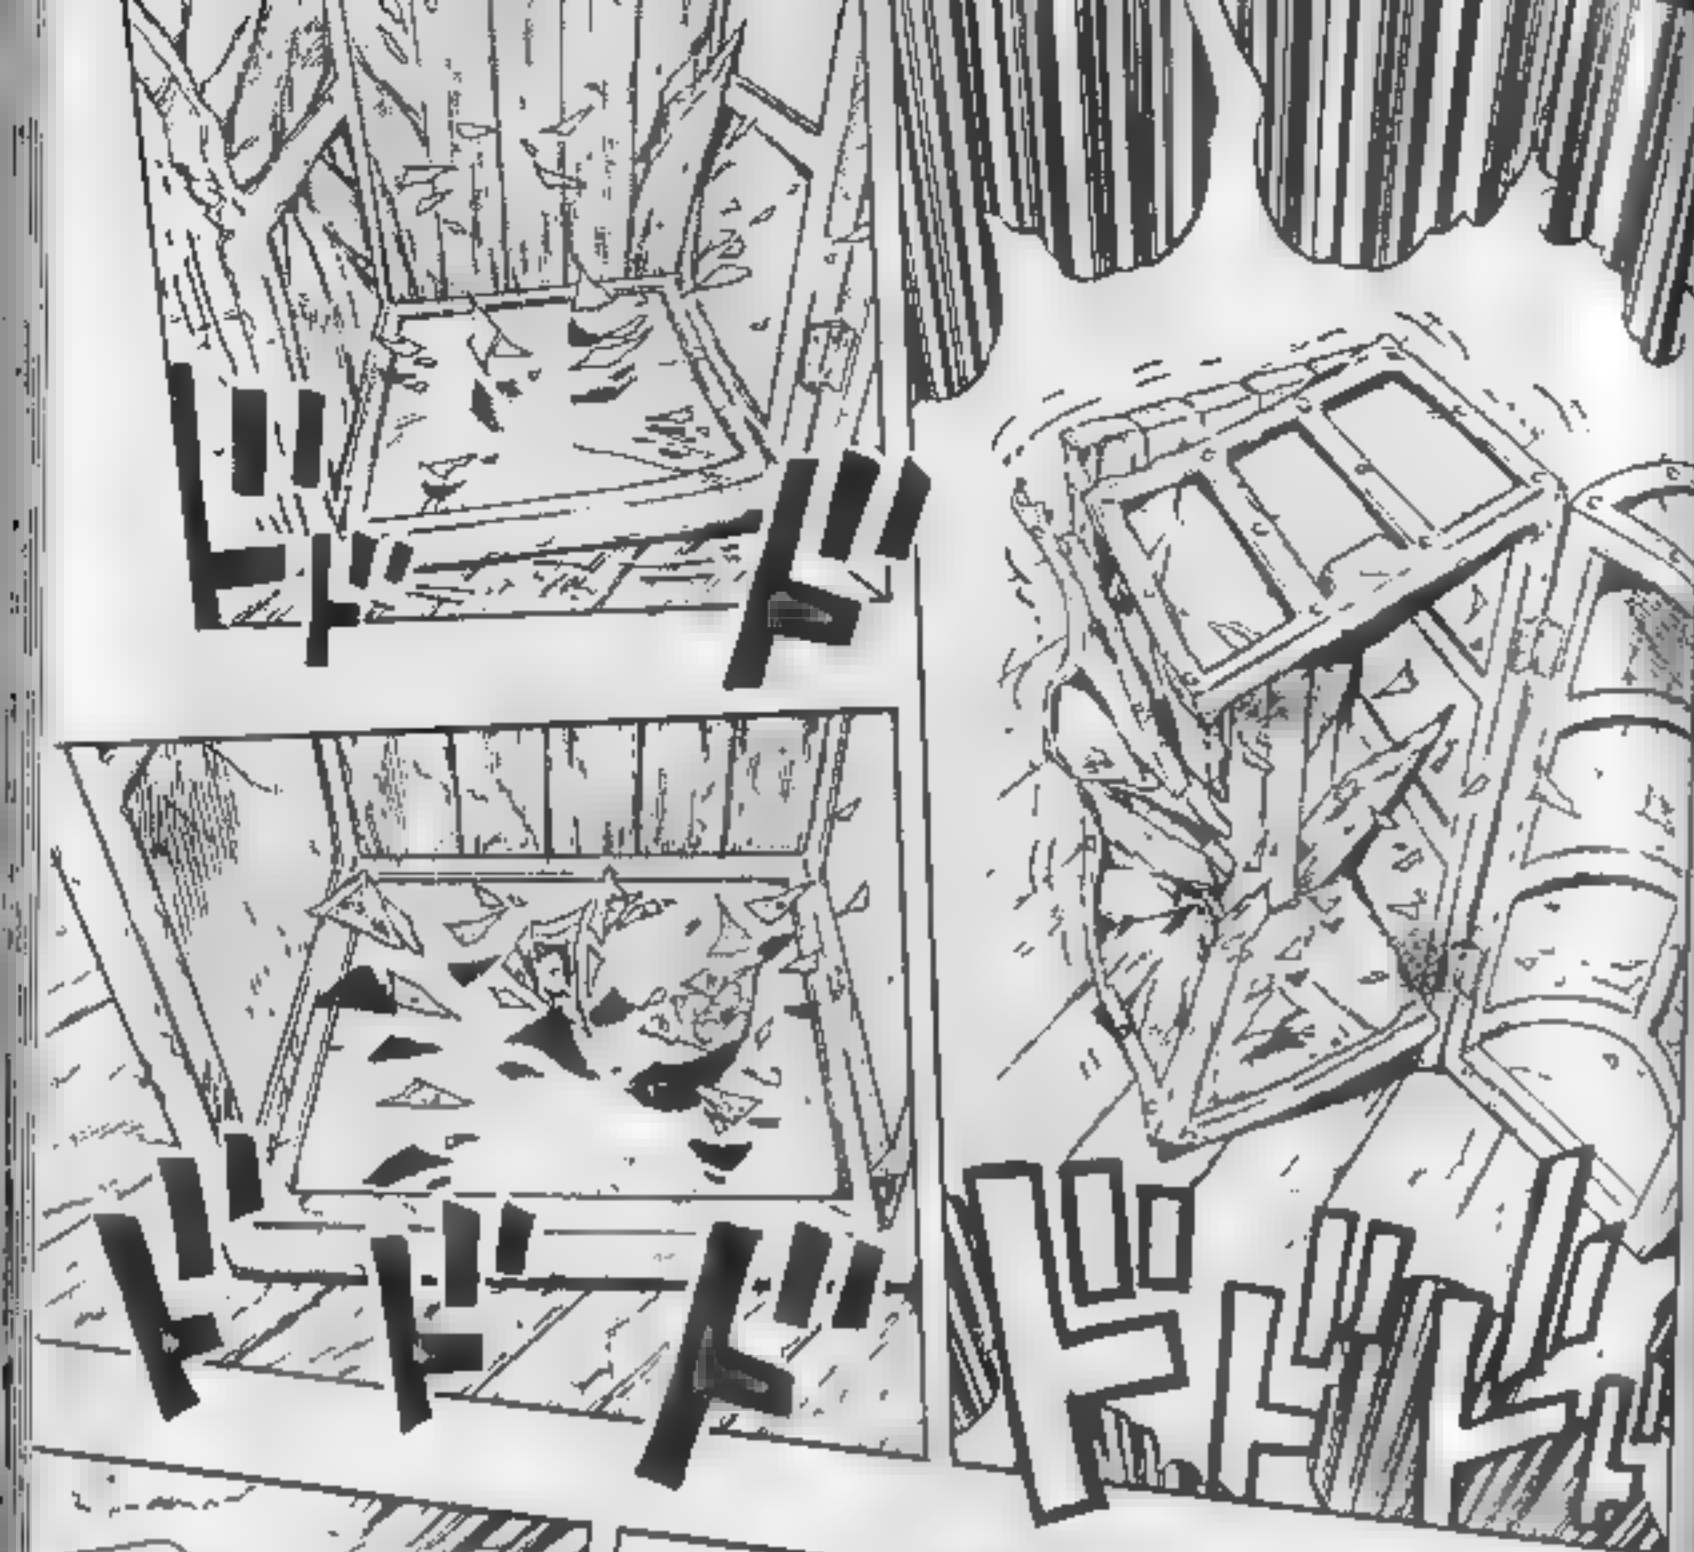

159

Damn! TOLD
YOU TO STOP.
DO YOU HEAR
ME?!

158

喔喔

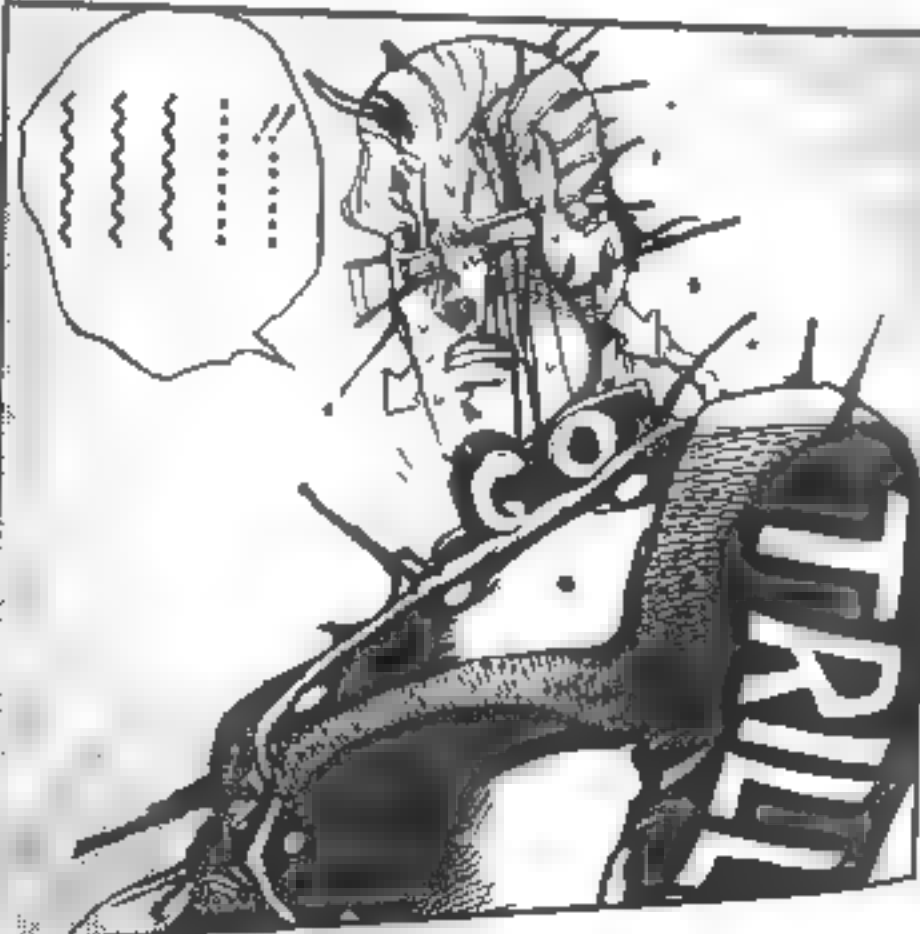

over 10 years
his repetitive
action is....

It's a picture
of your
whole
family

only for
this....

It's a picture
of your
whole
family

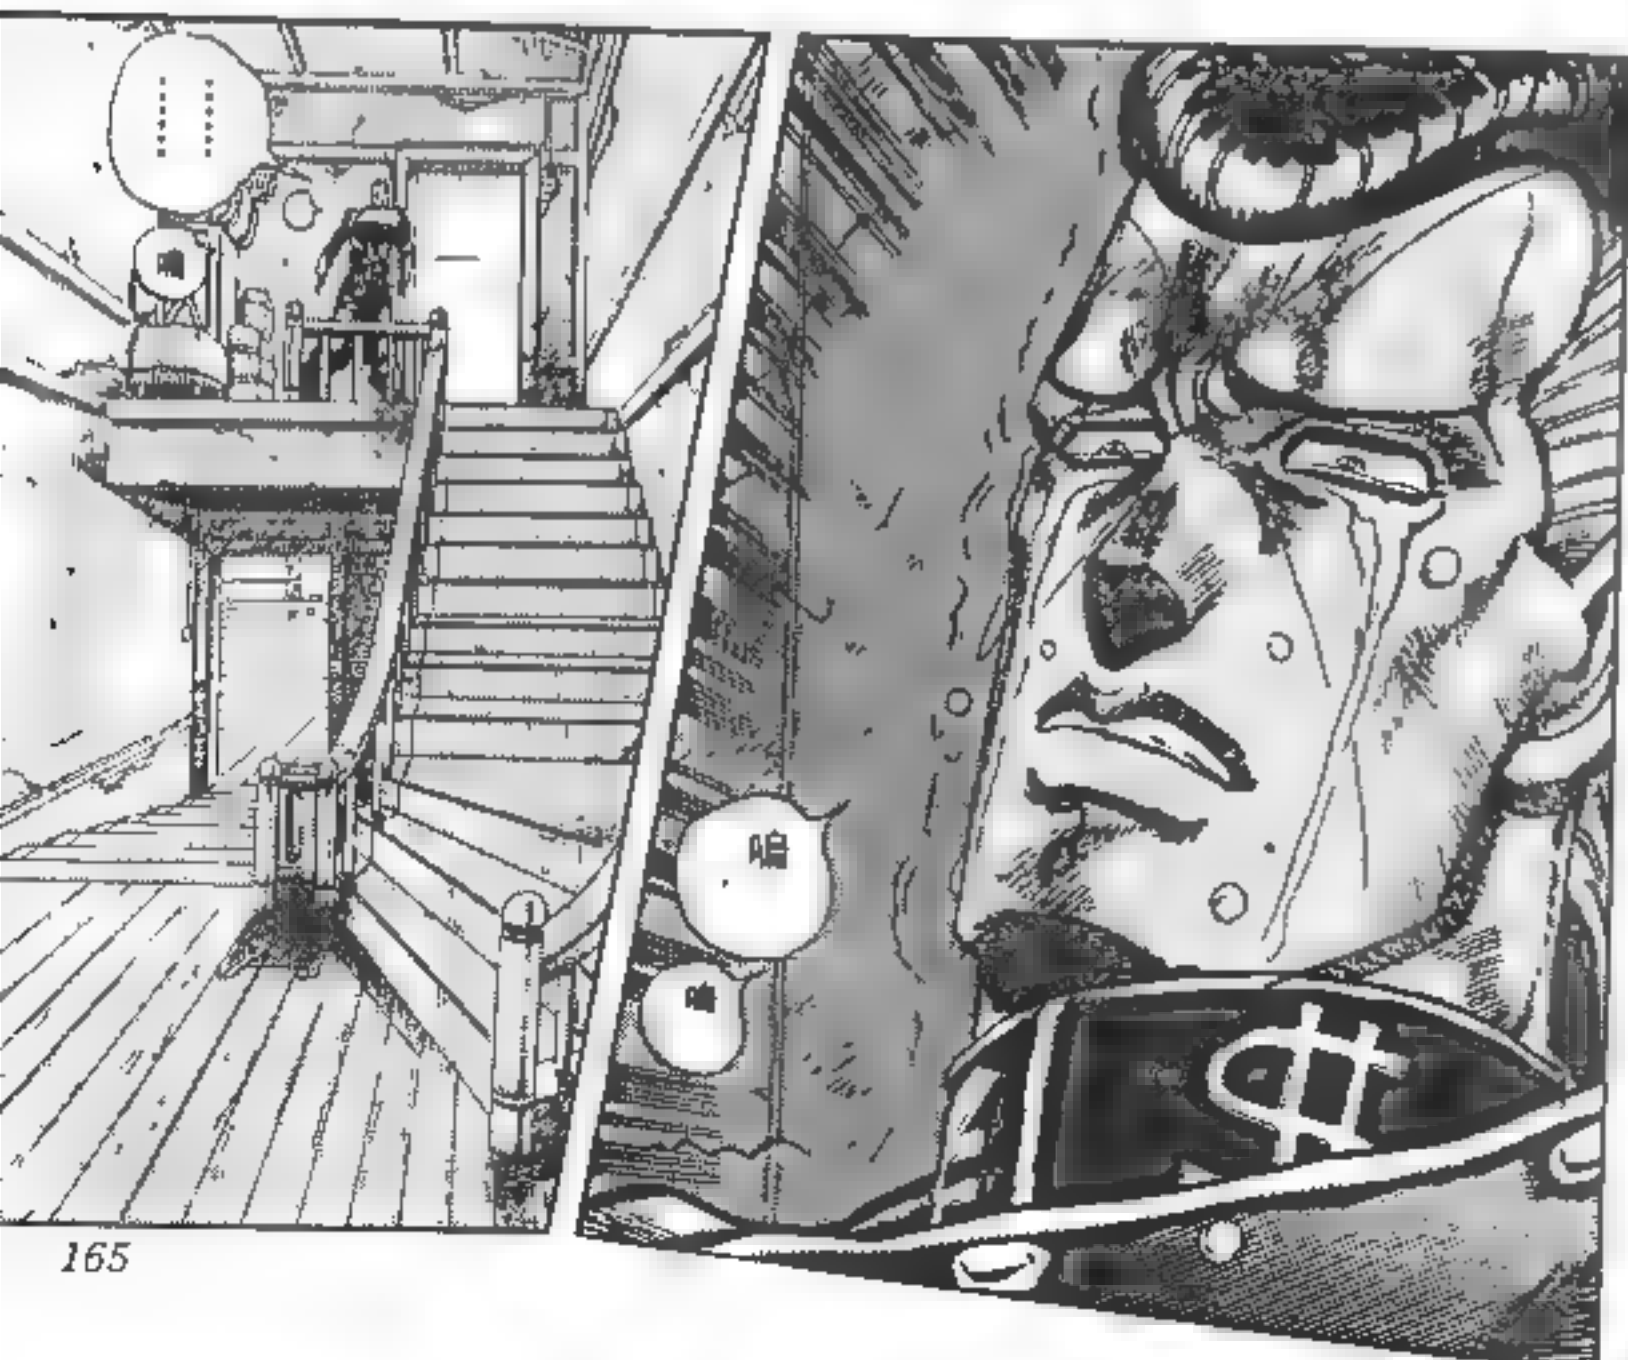

喔——

I saw him holding pieces of paper like trying to put them together. It is a picture...

There is a picture in the box!

There is a picture in the box!

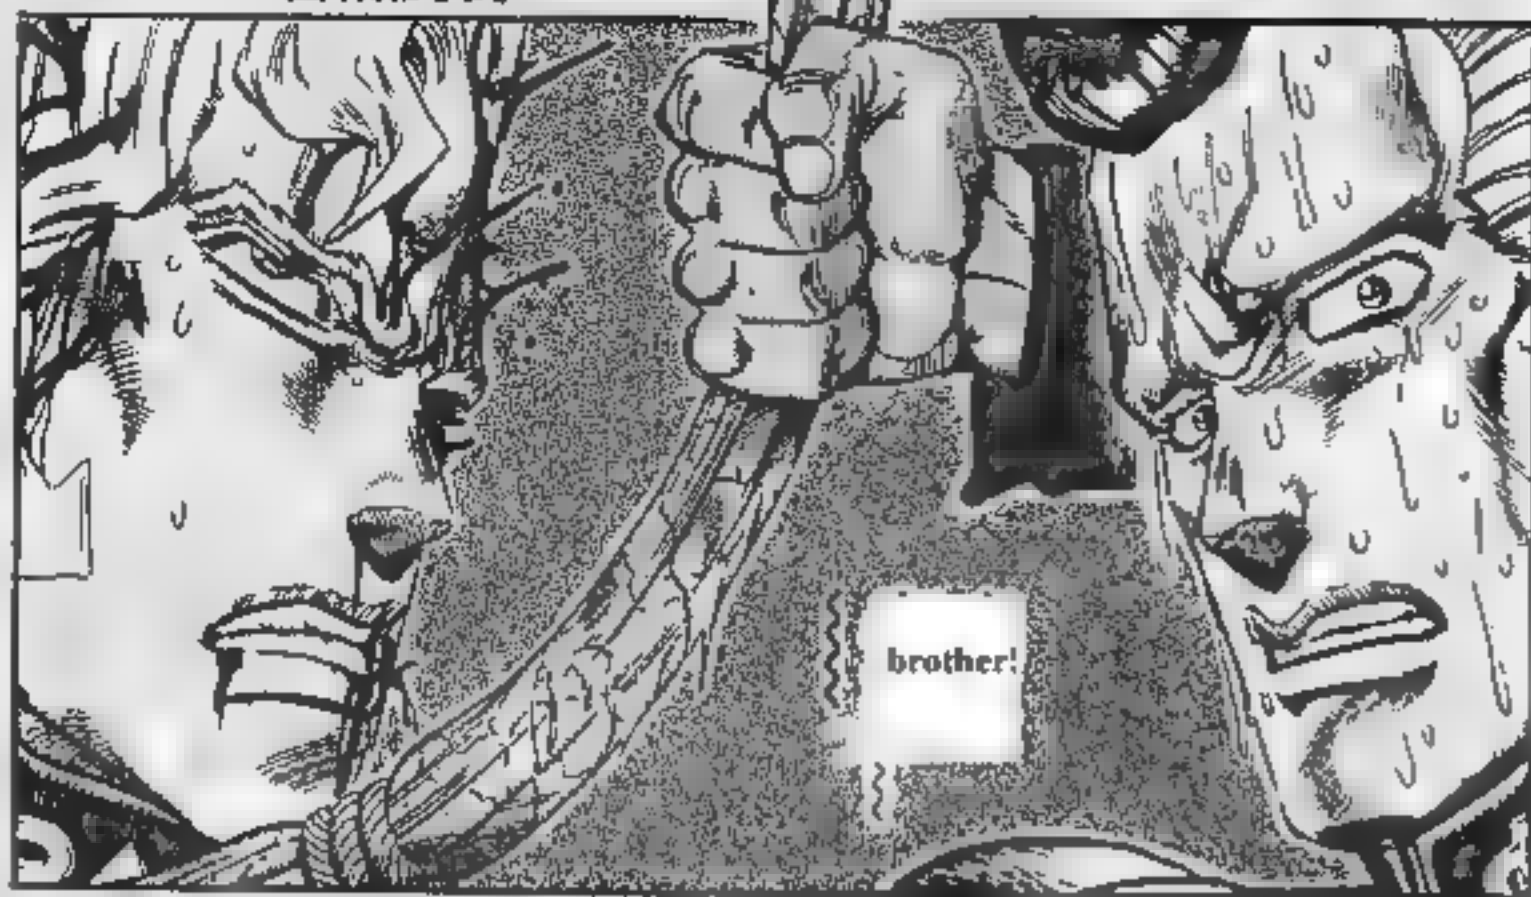

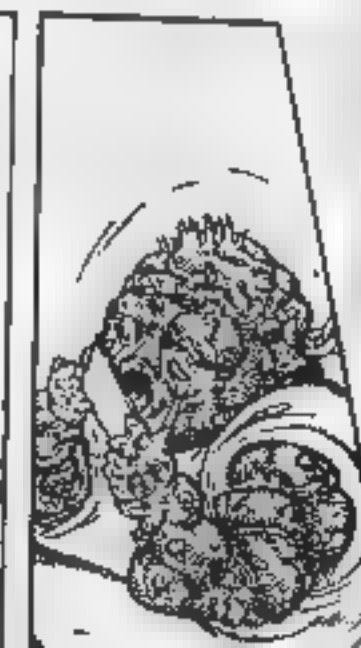

虹村兄弟

brother with bow
and arrow, all
being electrified

Brother!

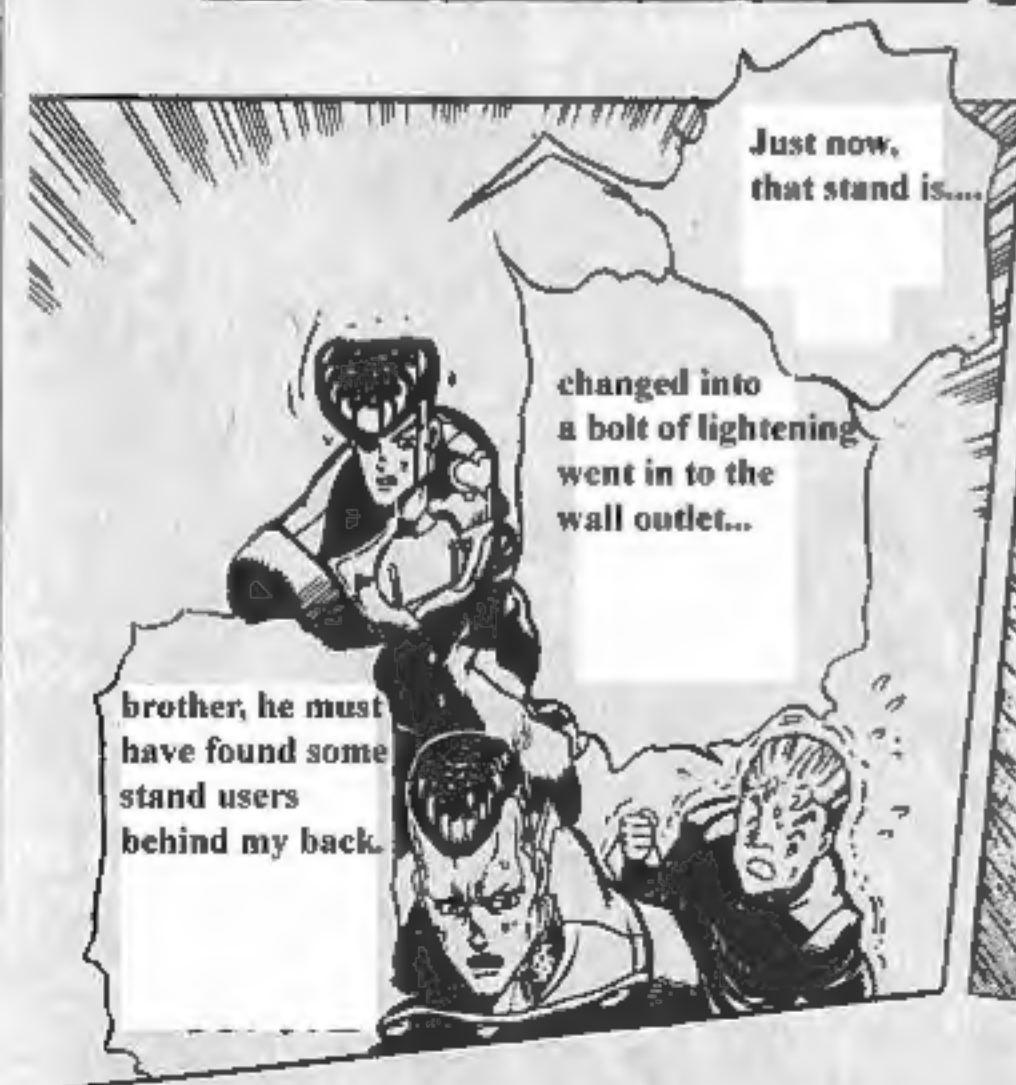

brother

I am being  
sucked in....

O...  
Okuyasu...

Just now,  
that stand is....

changed into  
a bolt of lightening  
went in to the  
wall outlet...

brother, he must  
have found some  
stand users  
behind my back.

啊!

You really  
hinder me....

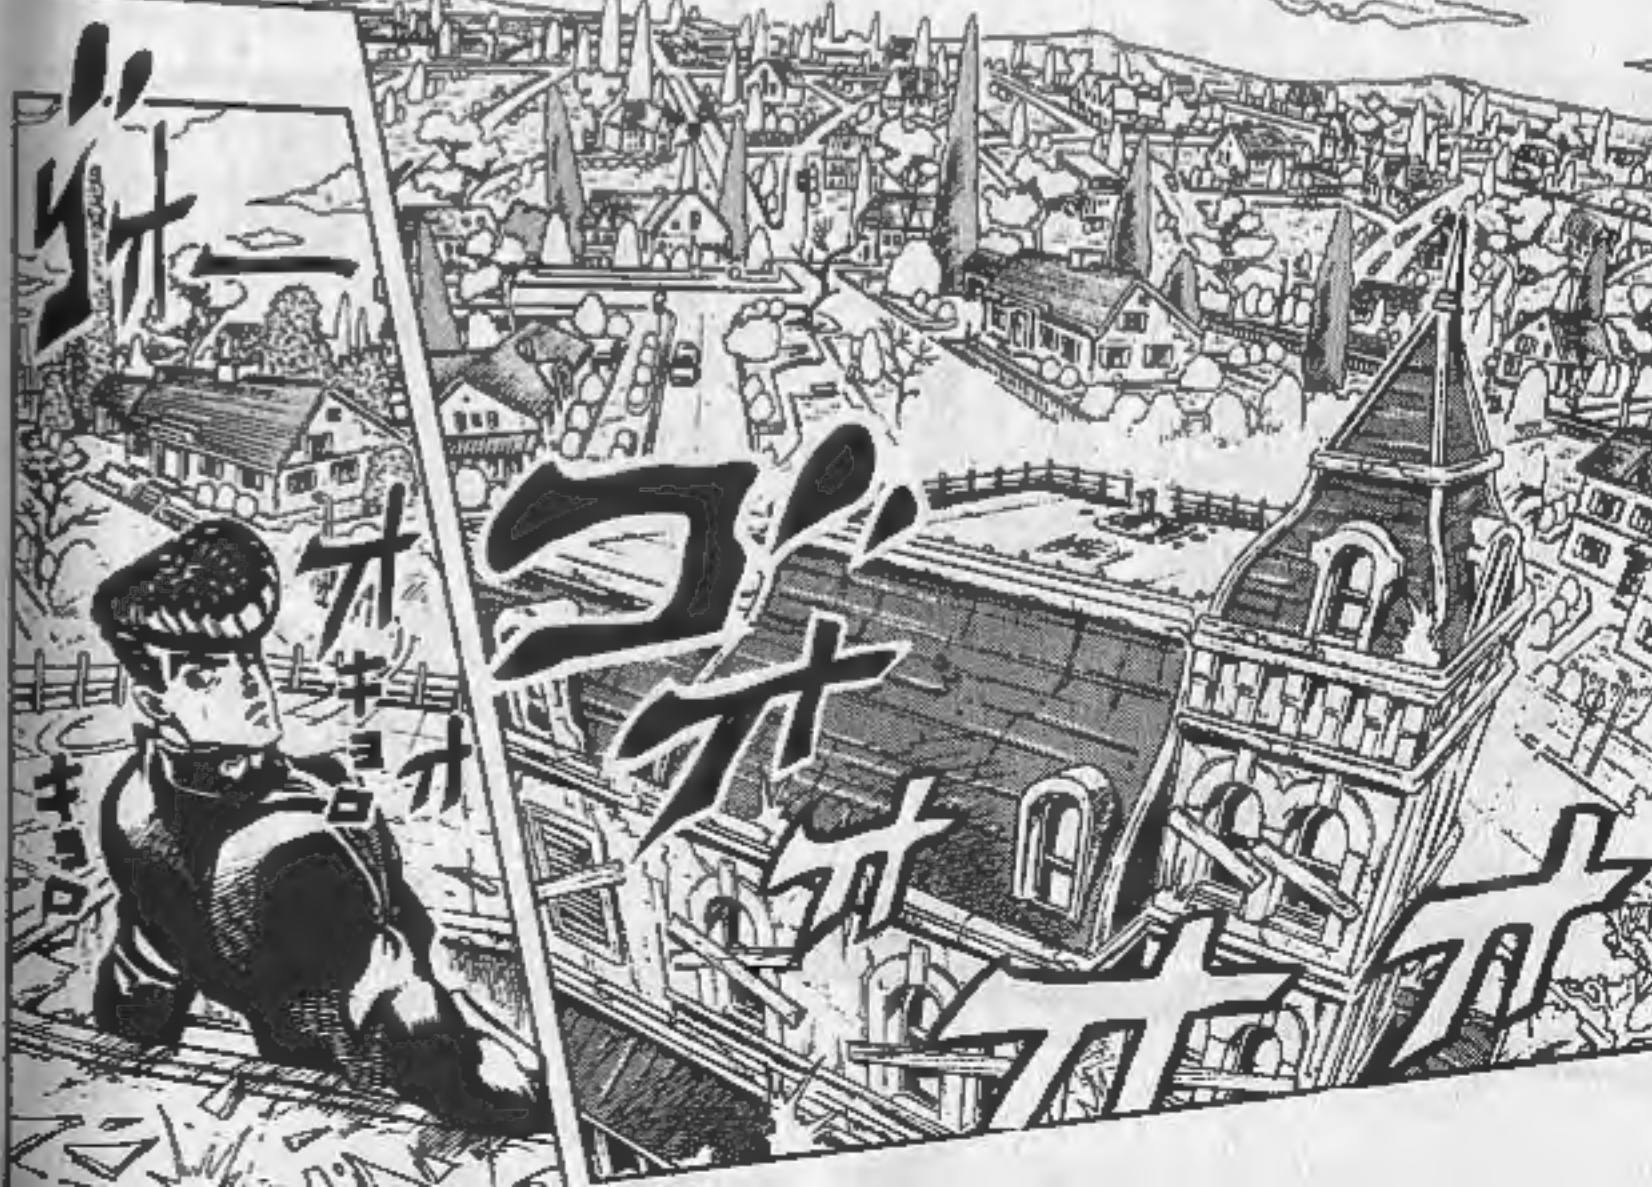

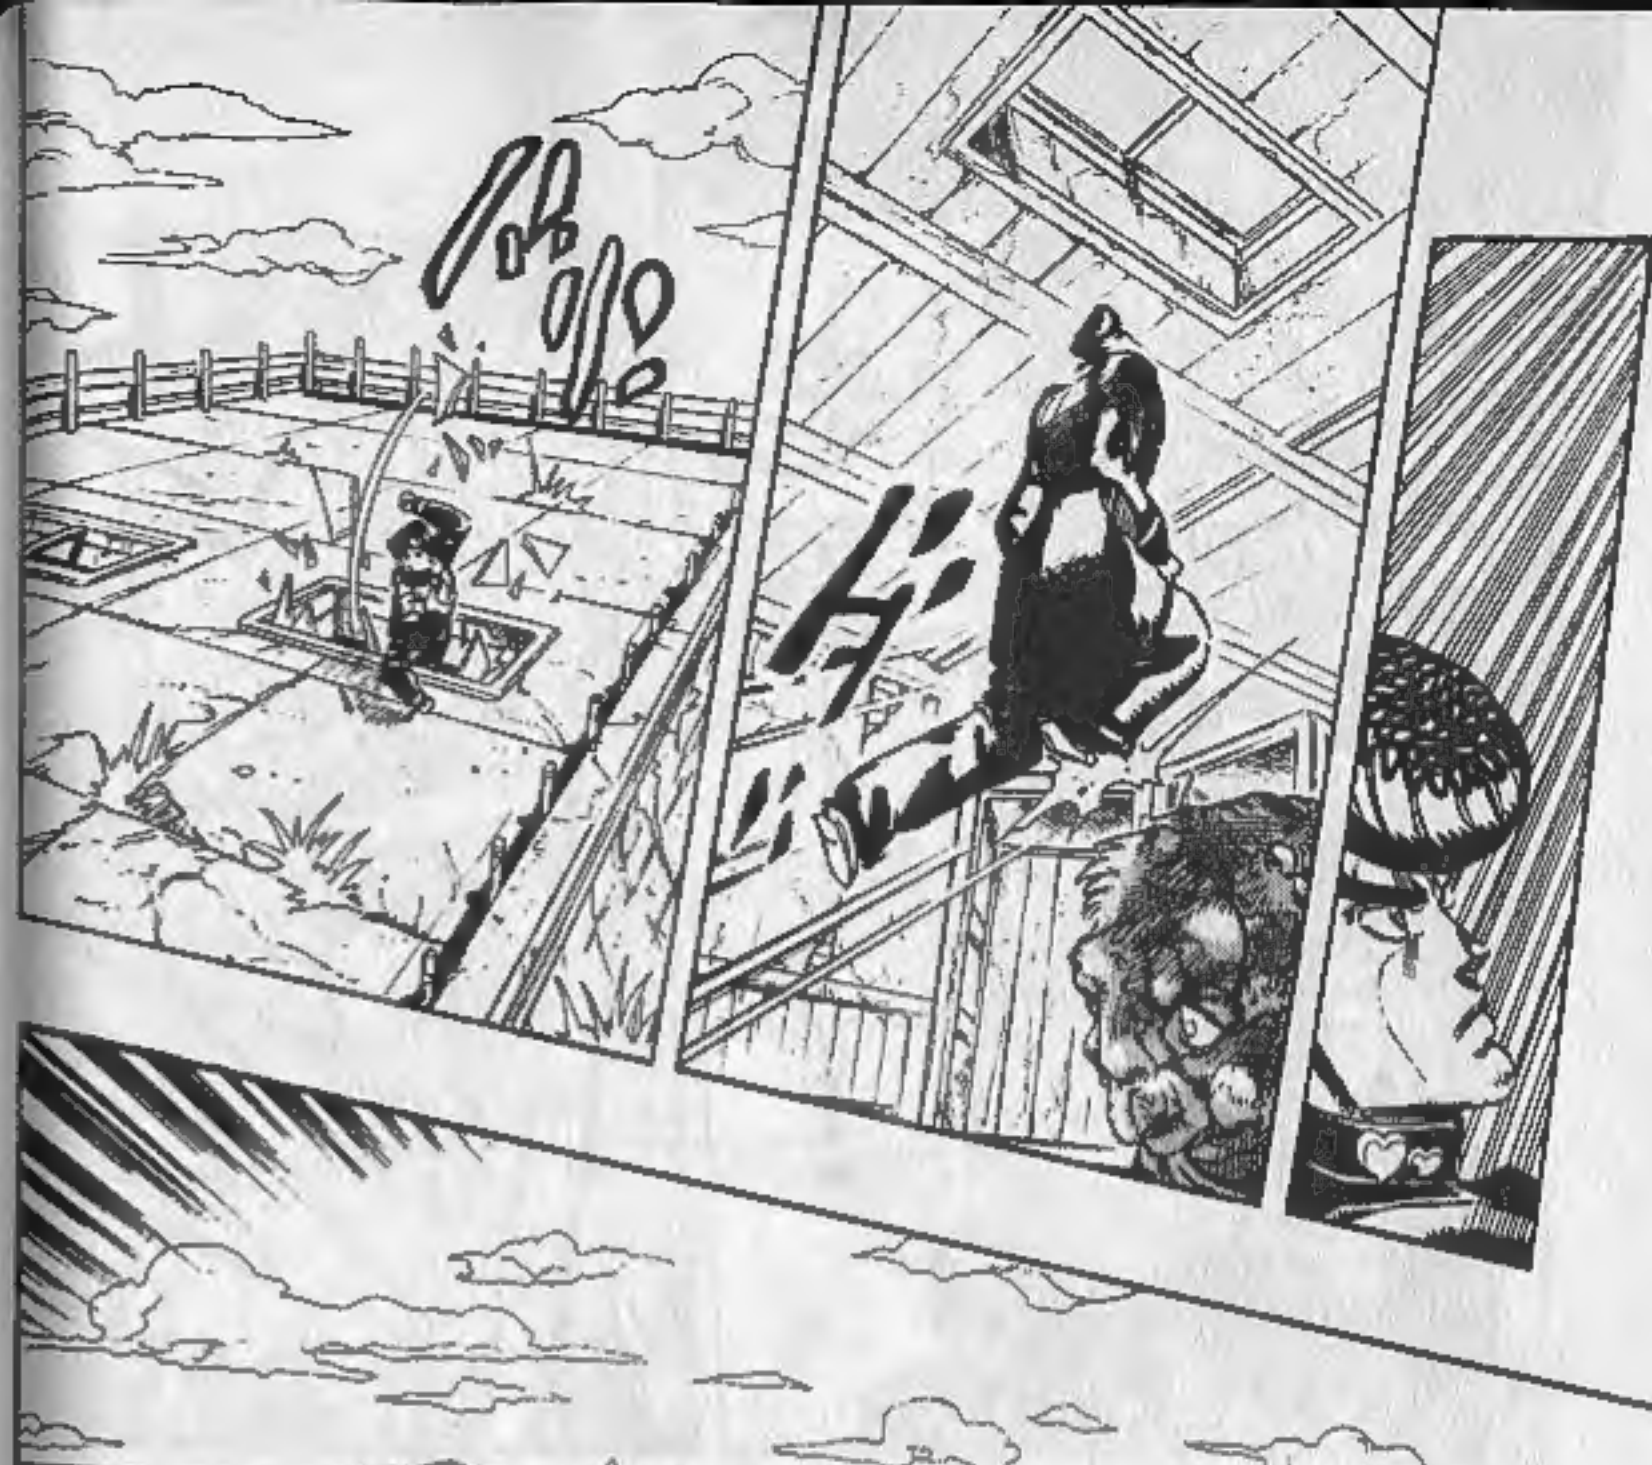

Okuyasu...

Damn.

even  
bow and  
arrow  
are  
taken

through the  
cable can reach  
that kind of  
place, looks like  
bow and arrow  
are stolen

He's destined  
to have a  
bad ending

brother....  
He is like that

but...

Okuyasu

I saw your  
brother  
rather die to  
save your  
life....

yes....

...

You should  
have seen  
that!

at the end...

at the end he  
still tried to  
protect me!
